

Important information for your admission to Oak Ward

Before you come

In our experience it is beneficial for children to be informed and well prepared in advance of their surgery. We have made a short video for our young patients explaining what will happen on the day you come to Oak ward. We strongly advise you to watch this with your child on our website: <http://www.ashfordstpeters.nhs.uk/patient-videos>

Or by typing 'children's surgery at St Peter's Hospital' on **YouTube**

It is vital you follow the starving instructions below:

Your appointment time	When to stop eating (water only afterwards)	When to stop drinking water
7.30 a.m.	02.30 am on day of your surgery	6.30 a.m. on the surgery day
11.30 .a.m.	7 a.m. (light breakfast please such as toast, cereal)	11.30 a.m. on the surgery day

Note: You may be allowed an additional drink of water on the day dependent on the time of your surgery.

On the day

Please come to **Oak Ward, level 3** at **St Peter's Hospital, Chertsey KT16 0PZ** at the time indicated on your letter.

Please bring clean pyjamas / spare clothes, dressing gown, suitable footwear (slippers / slip on shoes) that you can change into when you arrive.

A **maximum of 2 parents / carers** may accompany you (Please note if you are legal guardian you **must bring proof of this** with you on the day.) **No siblings or other children are allowed.**

The time indicated on your letter is the time you need to attend the ward. This is **not** the time that your surgery will start. You will be seen by a nurse, your surgeon and an anaesthetist who will then determine the order of surgeries. It may be that you have to wait some time before you have your surgery so please bring a favourite toy/book to pass the time.

If your daughter is 12 years or older a pregnancy test will be offered due to potential implications of surgical procedures during pregnancy.

Going home

Your nurse will let you know when you can go home. Ensure you have organised transport home as we do not recommend using public transport after surgery.

Please ensure you have a good supply of paracetamol and ibuprofen at home.

If you have any questions or concerns please call Oak Ward on **01932 722016** (Mon – Fri)

Further Information

We endeavour to provide an excellent service at all times, but should you have any concerns please, in the first instance, raise these with the Matron, Senior Nurse or Manager on duty. If they cannot resolve your concern, please contact our Patient Experience Team on 01932 723553 or email asp-tr.patient.advice@nhs.net. If you remain concerned, the team can also advise upon how to make a formal complaint.
