

# One Stop Allergy Clinic Information Sheet

Please note this clinic appointment can take up to 2 hours.

- This allows for children who may require Skin Prick Testing, respiratory tests, blood tests, and teaching / training for new medications.
- The consultation with the doctor.
- If necessary, consultation with a Dietitian.

## Follow-up Appointments

If you are returning for a follow-up appointment to this clinic, you may need a skin test at that visit. **Therefore, your child will need to stop antihistamines 7 days prior to your appointment.**

N.B.

If your child requires their antihistamines as a result of an allergic reaction during those 7 days this **must** still be given, and the skin testing can be re-arranged for another date.

Should you need any further information, please refer to the contact numbers below:
