Day Surgery Post-Operative Advice

Date.....

Today you were admitted to the Day Surgery Unit for
a.....

You were discharged by.....

You have over your wound.

Please replace the top dressing on

If the wound is well healed then you can take off the dressing on
.....

If you notice bleeding, please apply firm pressure over original dressing, if it doesn't stop after 15-20 minutes attend A and E.

It is common to have abdominal and shoulder pain, please take regular pain relief until this wears off.

No heavy lifting for 4-6 weeks.

No driving for 10- 14 days.

It is normal for the wound to first appear inflamed and bruised. However if after a few days it still looks inflamed, hot to the touch, any offensive discharge or if you have a temperature and feel unwell, please go and see your GP, as these are all signs of infection.

Further Information

We endeavour to provide an excellent service at all times, but should you have any concerns please, in the first instance, raise these with the Matron, Senior Nurse or Manager on duty. If they cannot resolve your concern, please contact our Patient Experience Team on 01932 723553 or email asp-tr.patient.advice@nhs.net. If you remain concerned, the team can also advise upon how to make a formal complaint.
