What is the antenatal core stability class?

The antenatal core stability class runs once a week at the River Bourne club (Chertsey). You should aim to book into 4 sessions in a row. It is run by a specialist pelvic health physiotherapist for those who have pain in pregnancy.

Exercising in pregnancy helps to maintain or improve flexibility and strength which in turn can help to minimise pain. The class is run by a specialist pelvic health physiotherapist who is trained in pregnancy related exercise.

The class aims to improve:

- Strength
- Movement
- Flexibility
- Bodily awareness

The class is tailored and can be adapted for different ability levels. You might be guided or encouraged to make some exercises individual to meet your own goals.

What happens in the class?

Each class lasts 45 minutes and takes place in the ground floor exercise studio. It consists of a warm up, core strengthening exercises in a variety of positions and stretching.

Further Information

We endeavour to provide an excellent service at all times, but should you have any concerns please, in the first instance, raise these with the Matron, Senior Nurse or Manager on duty.

If they cannot resolve your concern, please contact our Patient Experience Team on 01932 723553 or email asp-tr.patient.advice@nhs.net. If you remain concerned, the team can also advise upon how to make a formal complaint.

Review: Aug 2025

You should inform the physiotherapist if any exercises are painful. You may be asked to complete a questionnaire or feedback form at the end of the first / last sessions.

Your responsibilities

Come prepared

- Bring a water bottle and a snack for after the session
- Bring or wear socks and comfortable clothing you can move freely in such as leggings and a t-shirt
- Please eat 1-2 hours prior to attending a class

On arrival check in with reception and take a seat in the café area; you will be called into the class at the start time. If you arrive late please head straight into the exercise studio. The class time given is the time the session will begin. Please arrive early to allow enough time to get changed (if required). Please let us know in advance if you are unable to attend.

We encourage you to also try to complete similar exercises again in the week (an exercise sheet will be provided) or if you have been provided a home exercise programme by your physiotherapist then you should complete this through the week.

If you have any questions or concerns please raise with the Physiotherapist that run the class.

Parking

Parking is available next to the River Bourne club in the Chertsey library car park. Costs are approximately £1.30 per hour (dependent on length of stay).

Can't make it?

If you can't attend your class appointment, please let us know with 24 hours advance notice by telephoning the Physiotherapy department on: 01932 722547.

We ask that you make every effort to attend booked classes; our class appointments are valuable and usually have a waiting list. If you cancel a class, we cannot routinely offer additional class appointments to replace the one missed.

Please be aware, as part of the Trust's access policy, if you fail to attend a booked class or cancel on more than one occasion, you will be discharged from the Physiotherapy department, any future appointments may be cancelled and you will need to contact us if you would like to be reinstated.

We look forward to seeing you.

Please use these blank pages to make notes in the class about how to do your exercises at home.
